

August 14, 2020

We regret to announce that we have to cancel (postpone) the remaining Lake Life Live events for 2020. Our purpose from the beginning has been to give our patrons a summer of Beach Music second to none. Unfortunately, with the restrictions and guidelines put in place by the State of Virginia we are not able to provide the level of service and entertainment that you have come to expect from Lake Life Live. The health and safety of our patrons, volunteers, sponsors, and entertainers is the primary emphasis of our Board of Directors. This decision was made in the best interest of everyone involved.

We have been able to reschedule most of the band to 2021. Lake Life Live will release our 2021 schedule in the near future. We would like to thank the sponsors that signed on with us before the pandemic. Your sponsorship will roll over to 2021. Thank you all for your interest and support of Lake Life Live. We can't wait to see you in 2021. Stay safe & stay well!

Best Regards,

Clarksville Economic Development Association Board of Directors
