Annual Golf Cart Registration Form

71.02. GOLF CARTS PERMITTED

Pursuant to Section 46.2-916.1 of the Code of Virginia as amended (the Code), it shall be lawful for any licensed driver to operate a golf cart as defined in Section 46.2-100 of the Code within the corporate limits of the Town on roads designated for such use pursuant to section 46.2-916.2. Operation of Golf Carts shall be subject to the limitations as set forth in Section 46.2-916.3 of the Code as amended:

1. Operation of a golf cart shall be subject to all traffic laws and ordinances;
2. Operation of golf carts is allowed only on streets so designated by the Town Council and where the posted speed limit is 25 mph or less;
3. Every golf cart, when operated on a designated highway, shall display a slow moving vehicle emblem in conformity with section 46.2-1081;
4. Golf Carts shall be operated upon the designated public highways only between sunrise and sunset, unless equipped with such lights as are required in Article 3 (Section 46.2-1010 et seq.) of Chapter 10 of the Code; and
5. Only the number of occupants for which the golf cart is designated may travel on any golf cart and no person may ride on a golf cart in an area not designated for passengers.

The limitations set forth above shall not apply to golf carts or utility vehicles being operated by local governmental purpose provided the golf cart or utility vehicle is being operated on highways with a speed limit of 25 mph or less.

All golf carts operated within the Town shall be registered with the Town prior to such use. **Proof of insurance liability coverage will be required prior to an annual registration fee of \$25.00 per calendar year for each golf cart registered.** The Town of Clarksville has no liability under any theory of liability and the Town assumes no liability for permitting golf carts and/or utility vehicles to be operated on public streets and roads under the special legislation granted by the Virginia General Assembly.
